Subject: Fwd: NHP: Dollar exchange rate

Dear Sirs

Please make necessary modifications in the MIS wef 1st Feb 2022 considering mean value of exchange rate as 1 USD = INR 73. Basically this would have an impact on PP Module where the thresholds for various categories of procurement would have upward enhancement. please look into whether any other modification would also be required.

@ Mr. Santosh Singh ; We have to intimate the IAs that for determining the various categories of procurement including threshold for prior review categories, we shall be following above limits.

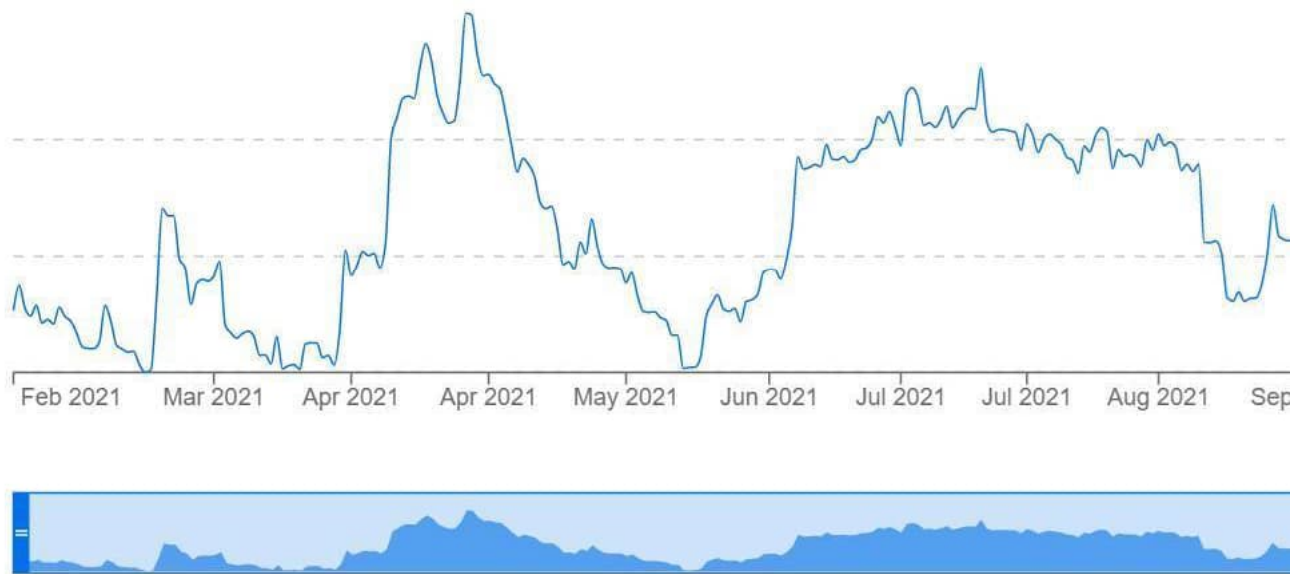

Warm regards

Dear Mr. Kashyap,

In order to have realistic cost estimate aligned with the prevailing exchange rate, you may like to update the dollar exchange rate in the range of Rs 72 to 74. Please update the cost estimate in the STEP accordingly for future.
