Audit Report on the Project Financial Statements

We have audited the accompanying financial statements of the National Hydrology Project (NHP) financed under World Bank **Loan No-8725-IN** which comprise the Statement of Sources and Application of Funds and the Reconciliation of claims to Total Application of Funds for the years ended 31 March 2017, 31 March 2018 and 31 March 2019. These statements are the responsibilities of the Project's management. Our responsibility is to express an opinion on the accompanying financial statements based on our audit.

We conducted our audit in accordance with the auditing standards promulgated by the Comptroller and Auditor General of India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. Our audit examines, on a test basis, evidence supporting the amounts and disclosures in the financial statements. It also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the Project Financial Statements present fairly, in all material respects, the sources and applications of funds of National Hydrology Project (NHP) for the year ended **31 March 2017, 31 March 2018 and 31 March 2019** in accordance with Government of India accounting standards.

In addition, in our opinion, (a) with respect to the Statement of Expenditure/IUFRs, adequate supporting documentation has been maintained to support claims to the World Bank for reimbursement of expenditure incurred; and (b) except for ineligible expenditure as detailed in the audit observations if any, appended to this audit report, expenditures are eligible for the financing under the Loan/Credit Agreement. During the course of audit, SOEs/IUFRs and the connected document were examined, and these can be relied upon to support reimbursement under the loan agreement as per **Annexures A, B and C**.

This report is issued without prejudice to CAG's right to incorporate the audit observations in the Report of CAG of India for being laid before Parliament/State or UT Legislature.
