Subject: Communication of Final List of selected Participants along with Waitlisted Candidates for the India Young Water Professional Programme – An initiative under the ambit of MOU between Govt. of India and Govt. of Australia on Cooperation in the field of Water Resources Management

Reference: This office O.M. No. X-87011/1/2016-NHP Section/2121 dated 6th Sept, 2021

National Hydrology Project (NHP) in collaboration with Australian Water Partnership (AWP), is organising an innovative Young Water Professional (YWP) training course led by Western Sydney University and IIT, Guwahati on behalf of Australia India Water Centre (AIWC). The objectives of the programme is to equip YWPs with the necessary skills, knowledge, behaviours and networks that will better enable them to contribute to the development and management of water resources in India, and to address the competency and leadership needs and priorities of the water sector in India. Accordingly nominations were sought vide subject mentioned O.M.

In pursuance of the call of Nominations, a total of 57 eligible nominations (out of 67) were received (36 Male and 21 Female). As per the selection criteria specified in the O.M., 10 Male and 10 Female Candidates along with 5 waitlisted candidates in each category have been shortlisted and approved by the Competent Authority. The Lists for shortlisted Female and Male categories is attached herewith for kind information.

The Cohort I of YWP is likely to be inaugurated in the last week of November 2021 in virtual mode. The date of inauguration and other relevant details about the programme shall be intimated in due course. Although, it is anticipated that all shortlisted candidates would be in a position to participate in YWP, however if due to any unavoidable reason, it is not possible to spare any candidate for this programme, intimation may please be sent to this office latest by 18th Nov. 2021 so that candidates in waitlisted category can be considered for this programme.
