Dated the 6<sup>th</sup> February, 2017

**Sub: Capacity Building Workshop on “Hydrologic Forecasting for Flood & Water Management Purposes” from 6<sup>th</sup> March to 9<sup>th</sup> March, 2017 at NIH, Roorkee organized by Bureau of Meteorology, Australia- reg.**

Sir/Madam,

Bureau of Meteorology (BoM), Government of Australia, is organising a Capacity Building Workshop on “Hydrologic Forecasting for Flood & Water Management Purposes” during 6<sup>th</sup> - 9<sup>th</sup> March, 2017 at National Institute of Hydrology (NIH), Roorkee.

This Capacity Building Workshop is being organised jointly by the NIH and the Bureau of Meteorology (BoM), Australia. The Workshop is also supported by the Ministry of Water Resources, RD & GR and Indian Meteorology Department (IMD). Participants from research and operational organisations in India and Australia would be attending the Workshop. It is being organised as a part of the activities under the current Memorandum of Agreement (MoA) between Australia and India, to enhance cooperation in Rainfall and Water Forecasting Technologies.

In this regard, participation from Central and State Implementing Agencies under National Hydrology Project (NHP) and the agencies involved with Water and Flood Issues for the above Workshop are hereby invited. It is requested to nominate mid-career technical officials from Central and State Agencies, who are either providing Flood / Weather Forecast or likely to be groomed in future for providing these services. We will appreciate participation of up to two nominees from each Implementing Agency, indicating their Names and Contact details (Phone, e-mail, place and post of working etc.), past experience in the same field, if any. The nomination may be sent latest by 20<sup>th</sup> Feb, 2017 to NPMU along with online Registration in the MIS under workshop.
