Dear Mr. Kashyap,

Dear Madam

With reference to the permission accorded by the World Bank as per mail trail, following is submitted for kind consideration

The world Bank has permitted to use GeM in lieu of shopping up to USD 30000 ( INR 19.5 lacs) in catalogue mode which we interpret that upto USD 30000, bidding is not required on GeM platform. As per stipulations of GFR 2017, the limit prescribed for procurement on GeM without bidding is INR 30 lacs (Rule 149 (ii) page 42) . In order to converge the limit permitted by the World Bank and that specified in GFR 2017, it is requested that the limit of shopping without bidding on GEM may please be enhanced to USD 46000 equivalent to INR 30 lac (exchange rate 1 USD = INR 65)

Since while using GeM platform IAs generally follow GFR, such convergence would avoid any violation of limit specified by the world Bank in this regard.

Regards

Rakesh Kashyap

Dear Mr. Manglik,

Glad to share new update regarding GeM procurement.

- 1) Use of GeM will be allowed in lieu of shopping up to US\$ 30,000 in catalog mode.
- 2) Use of GeM will now be allowed in lieu of shopping up to US\$ 100,000, provided there are at least 3 suppliers for the item on GeM and the Purchaser uses RFQ (mini competition or bidding among suppliers) feature on GeM to discover the final price.

In both the cases listed above, please record assessment on reasonableness of price.

Best Regards. Anju
