Subject: Three-day online Training Programme to be organized by CPCB on "Data Collection, Analysis and Validation" under National Hydrology Project (NHP) during FY 2020-21

Sir,

Central Pollution Control Board has planned to organize three-day online training programme during 2020-21 under NHP. The training facilitated by Indian Statistical Institute (ISI), Delhi, through video conference on "**Data Collection, Analysis and Validation for water quality**" starting from 19-21 January 2021.

Implementing agencies under NHP may send the nominations of not more than one concerned official associated with the activities of water quality through e-mail to cpcbhp3@gmail.com in enclosed format at **Annexure-I**. The training brochure & web link for video conference shall be shared by ISI, Delhi, in advance.

Yours faithfully,

(A. Sudhakar)
