Sub: Organization of Online Training course on “Flood Forecasting Modelling using HEC-RTS” during July 05-16, 2021 by NIH, Roorkee.

Dear Sir,

I am happy to inform you that NIH, Roorkee is organizing **Online Training Workshop “Flood Forecasting Modelling using HEC-RTS” during July 05-16, 2021** under National Hydrology Project as part of the NHP training activities. This training workshop is exclusively planned for the Officers of the WRD Rajasthan and Kerala. Officers from BBMB will deliver lectures and organize hands-on training and faculty from NIH will also support the participants during the tutorial sessions. The course consists of one hour (Daily 2-3 PM except Saturday & Sunday) interactive mentoring sessions over two-week period. This will provide attendees a unique opportunity to build a flood forecasting model with presenter,

There is no registration fee for the participants from the States/Central Agencies covered under NHP to attend the workshop. I request you to nominate participants for attending this Two-Weeks Online Training Workshop. It is requested to please register the participants in NIH-MIS using the following link: <http://nhp.mowr.gov.in/HomeNew/SearchProfile.aspx>

For further details about the training course, please contact the undersigned.

Thanking you,

Yours sincerely,

(A.K. Lohani)
